### *Pastoral Letter*

Dear Friends,

As we enter December and the year draws to a close, we find ourselves once again at the threshold of Advent—a season that invites us to slow down, to wait, and to watch with expectation. The nights are long, the air carries a chill, and yet there is a quiet beauty to these days. Amid the darkness, candles are lit one by one, and with each small flame, our hope grows brighter. Advent is a time of promise: a reminder that even in the shadowed places of our world and our hearts, God's light is drawing near.

In many ways, our world feels full of waiting—waiting for peace, for healing, for reconciliation, for a sense of stability and hope. The message of Advent speaks directly into that longing. It tells us that God has not forgotten us, that He comes to dwell among us, not as a distant figure, but as Emmanuel—God with us. It is a truth that changes everything, if only we allow it to take root in us.

The Christmas story, though familiar, remains astonishing. God chooses to come among us, not with splendour or might, but in simplicity and vulnerability: a child born in a stable, laid in a manger, surrounded by ordinary people. Shepherds and angels, travellers and innkeepers—all are drawn into the story. In that moment, heaven touches earth. And through that child, the light of God's love begins to shine into every corner of human life.

As we prepare once more to celebrate the birth of Christ, I encourage you to take time to notice the signs of God's presence among us. We may glimpse Him in the kindness of a neighbour, in a shared meal, in the laughter of children, or in a moment of quiet prayer. The same God who came to Mary and Joseph still comes to us today, often in unexpected ways.

In the midst of the season's busyness—shopping, cooking, wrapping, travelling—try to find a few moments each day simply to stop and breathe. Light a candle, read a verse of Scripture, say a prayer of thanks. These small acts of stillness are ways of preparing a place for Christ to be born again in our hearts.

I want to thank you all for your faithfulness through the past

year—for your prayers, your service, and the many ways you support one another. The life of our parishes is made rich by the love and generosity that so many of you show, often quietly and unseen. You are a living sign of God's presence in this community, just as the Christ child is a living sign of God's presence in the world.

May the peace of Christ fill your hearts this Christmas, and may the coming year bring you renewed strength, hope, and joy. Whatever lies ahead, we go forward together, knowing that the light shines in the darkness, and the darkness has not overcome it.

With every blessing for Advent and Christmas,

*Rev'd Clive  
Rector of the Barrow and Wolds Group*

### *Heritage Project Wymeswold Family Discoveries*

Over the last five months, St Mary's Church heritage project has organised several events to help people research their family histories. In September and October, the Leicestershire and Rutland Family History Society ran two workshops for us on how to research family history.

They gave presentations, on researching family ancestors and on house histories, all illustrated with examples from Wymeswold. We also had lots of hands-on research time, aided by experts from the Society.

Three outcomes really stand out. First, how addictive family research can be – once a family member is found in the records discovering more about them is compulsive. Second, family history is full of surprises; one of our group members discovered the existence of two uncles he had known nothing about. Third, how moving it can be. The most memorable find was by Chris Kirk, who found a beautiful photograph of his grandmother, which he had never seen before. Our appreciation goes to the National Lottery Heritage Fund, whose grant has allowed us to organise these, and a range of forthcoming, activities.

## News from Wymeswold St Mary's

Christmas is nearly here but before I turn to details of St Mary's plans for Christmas, I want to mention three past events.

First, the village Remembrance Service held on 9 November. There are so many people to thank but a special thank you to Peter Blount for reorganising this service so promptly and with his usual efficiency when St Mary's was still under wraps, enabling the village to come together as it always does to remember all those, especially from Wymeswold, who gave their lives in war.

Secondly, many thanks to the members of the Rutland Family History Society who led a Workshop on 27 October. They dealt with questions on families, places, houses etc both generally and with family histories of those attending. It was absolutely fascinating as well as helpful to anyone looking at their family history.

Thirdly, thank you to all those who organised the Wymeswold School Stained Glass Exhibition. Most of all though, a huge thank you to all the children whose beautiful work was exhibited – a lot of talented young people.

Our first Heritage event in December, at 1.45pm on Saturday 6<sup>th</sup> is a lecture by Richard Ellison on The Stones of St Mary, beginning with a short tour round the church. This looks to be very interesting. *Full details can be found on the poster further on in the Link.*

The second is also on 6 December, at 7.30pm when the well-known local Global Harmony Community Choir (not a gospel choir as said in error in last month's Link) will be holding a concert of Traditional Carols and Songs from around the world in the church. *Full details, including ticket prices, can be found on their poster further on in the Link.*

Moving forwards, **St Mary's annual Mince Pie Morning takes place on Saturday 13 between 10am and 12 noon**, when we welcome the arrival of the Christmas tree into the church and decorate it while we enjoy mince pies and mulled wine. This year, in addition, there is a Free Christmas Tree Decorations Workshop for Adults and Children.

The following evening, **December 14, at 6pm there is the Carol Service**, with traditional readings and congregational carols led by the choir. Refreshments will be served after the service.

**Our Crib Service will be held on Christmas Eve at 4pm**, always one of the highlights of Christmas, a wonderful service with whole families attending with their little ones and a wonderful air of excitement and anticipation. Last but very much not least, **Midnight Mass will be held at 11.30pm on Christmas Eve**. All are warmly welcomed to share in this very special service. There is no requirement to take communion if you are not accustomed to do so.

Details of all the above will also be appearing on posters around the village and on the Village website.

If you are able to help with Mince Pie Morning or the Carol Service, please contact Elizabeth on 07769 686220 or by email at [ekcritchley@btinternet.com](mailto:ekcritchley@btinternet.com). All ages are invited to participate in the Carol Service, so readers, musicians and singers please contact Elizabeth.

Do come along to join us at any of our services or events; you will be most welcome and we look forward to seeing you there.

I wish you all a very merry Christmas and a Happy New Year on behalf of everyone at St Mary's.

Elizabeth Critchley

## News from St Andrew's, Prestwold

Before I begin our December/January report, I have some sad News in that Harry Heaney, a member of our "St Andrew's 31 Club" passed away peacefully right at the end of October and as this report is written early in November, details are not yet available. In the meantime, all at St. Andrews send our condolences, love and prayers to Harry's family. God Bless Harry: We too will really miss you but we are comforted in the knowledge that you are now happily reunited with Margaret who you really missed.

You may be asking, what is the "St Andrew's 31 Club"? Well, "Harry, his wife Margaret and friends, Beryl and Mary were all born within 3 months of each other in 1931 and because of this, referred to as being members of the "31 Club".

Sadly, the first three, Harry, Margaret and Beryl have died and thankfully, much loved Mary is the last surviving member. Keep well Mary and don't ever think of dying!

**Our afternoon teas now at Barrow-on-Soar Village Hall are still going well and the following dates on which they are to be held are 7<sup>th</sup> December, 13<sup>th</sup> January, 17<sup>th</sup> February, 10<sup>th</sup> March, again from 2.30 p.m. to 4.00 p.m.** As usual. everyone is welcome – young and old.

On **Sunday December 14<sup>th</sup>** we will be holding the **St Andrew's Christmas Craft Fair at the Hoton Village Hall** between 2 p.m. and 4 p.m. Last year this proved to be a very enjoyable day and all seemed to enjoy our array of drinks and cakes which helped to boost our much needed funds. So, thank you to everyone who came along to support us. Very much appreciated. Hope to see you again this year.

**December – the month of Celebration** - We know that there has been a great deal of planning during the year to ensure that this sparkling month of anticipation, excitement and joyful giving honours the birth of Jesus Christ on December 25<sup>th</sup>. St. Andrew's Church and all in the Barrow & Wolds Group of churches has been no exception. To this end a big thankyou must go to Reverend Clive, all the other Clergy in the Group, Collette and all those Volunteers who ensure that we have a wonderful lead up to the day for opening the churches not only for Christmas but also for services on a Sunday and for being there every other day of the year should we need you: so reassuring.

### FUNDRAISING FOR THE REPAIR OF THE TOWER ROOF.

St. Andrew's is nestled in between spinneys in the beautiful grounds of the Prestwold Estate and is the Parish Church for people living in the villages of Hoton, Burton-on-the-Wolds, Cotes and Prestwold. The church belongs to The Church of England so we can call it "OUR CHURCH". There is a general assumption that this church is part of the Prestwold Hall Estate which is not so.

If you haven't been before, the church is a beautiful, little historical Parish church with a BIG PROBLEM in that the Tower roof urgently needs replacing. An initial amount of money needs to be raised by us before we can apply for grants which we intend to do – However, before we apply for the majority of the grants, we need to be seen to have collected a reasonable sum - in our case we estimate that to be another £10,000.

I am asking you please if you can help us to raise this initial sum by making a donation. I realise that in this country and, it appears all over the world, there is extreme financial pressure at the moment but we are not asking for hundreds (unless you have it spare!) - anything you can manage would be greatly appreciated. We also have an "easy fundraising account" whereby every time you shop online, a

large number of companies ask where you would like to make a free donation. -if you participate in this and with Christmas being in a few months time, I feel sure this would be quite a good little earner.

**The easy fundraising account is**  
**["easyfundraising.org.uk/standrewschurchprestwold"](http://easyfundraising.org.uk/standrewschurchprestwold)**

I sincerely hope that you can help us with raising this money for the repair of the Tower Roof - it is rather an urgent project and any donations would be most welcome. We look forward to seeing you at the various functions. If you are new to us please come and introduce yourselves - we'd love to meet you.

Have a great Christmas and let's hope a cracking New Year.

*God Bless  
Adena Hecks*

## *Wymeswold Methodist News*

We have a busy month ahead of us at the Methodist Chapel as we celebrate Advent and Christmas. We will be hosting Experience Christmas on 3<sup>rd</sup> and 4<sup>th</sup> December for some classes of Wymeswold Primary School and are looking forward to meeting the children and taking them through the Christmas Experience Journey. **On Friday 5<sup>th</sup> December** we plan to sing carols outside Chapel in the evening. We hope this will be part of a bigger event being planned for the lighting of the Christmas tree. Keep checking our Facebook page and the Sale-Swap-Wanted In Wymeswold page for more details. We would love as many of you and your families to come along and join us as possible. We will also confirm the timings when the children visit us for the Experience Journey and send them home with a reminder of the event, so please check their bags on Wednesday 3<sup>rd</sup> and Thursday 4<sup>th</sup> for more details. If you can't make the Friday night why not pop in to see us on Saturday 6<sup>th</sup> December from 10.30am to noon, when our much loved Christmas Mini Market will be in full swing. We will have home made mince pies, jams, produce and craft items for sale, with a gift stall and our raffle. Come along and have a hot drink and a mince pie and get into the Christmas spirit.

**On Wednesday 10<sup>th</sup> December** we are looking forward to hosting the Wolds Choir Christmas Concert. Please look out for the posters.

**On Sunday 14<sup>th</sup> December at 6pm** we will be joining with our friends and fellow villagers for the Annual Christmas Carol Service at St Mary's at 6pm.

**On Sunday 21<sup>st</sup> December at 11am** we will be having a Christingle service. If you have always wondered what a Christingle is, come along at 11am to our informal Christingle service when we will be making the Christingles, sharing in refreshments and singing the Christingle song. This is a very family friendly event to which we extend a very warm welcome.

On Christmas morning we will celebrate the birthday of Jesus with family worship at 9.30am, which will be led by Eleri Bristow, our Local Lay Pastor. We look forward to seeing you.

Since Easter we have been opening our doors for many new and exciting events. If you came by the Chapel on Halloween and shared in cake and refreshments, or have been to Warm Welcome, or our Activity Afternoons, we really want you to feel part of our Chapel family. We are hosting a party which will include a Chapel Activity Afternoon followed by a Warm Welcome Tea and a Quiz on Tuesday 30<sup>th</sup> December as a celebration of everything we have done this year and to say thank you to everyone involved. Please come and join us, even if it's only for part of the afternoon. 2025 has been a busy year at the Chapel. Please do take one of the opportunities listed above to come and talk to us about what you liked, or if we didn't quite get it right, how we

can improve what we do next year. The Methodist Church building sits in the centre of the village and we are working hard to develop a community of people also at the village centre. Be a part of the planning for 2026, bring your thoughts and ideas for us to consider and build into our worship and community activities.

In January we hold our annual Covenant Service at which we, as Methodists, renew our promises to God, and look forward to the year ahead. We have a short break after all the hustle and bustle of Christmas with no coffee morning in January, but will hopefully meet again on Feb 7<sup>th</sup> for coffee/tea and chat. We are excited by what 2026 may have in store for us and where and how we are being called by God to show His love for everyone in our community in Wymeswold and the surrounding villages. We invite you to come and join the Chapel family and feel that love and support for yourselves and then share it with others.

## WYMESWOLD PARISH COUNCIL NEWS

### Councillor resignation

After many years of dedicated service, Adrian Cooke has unfortunately decided that the time has come to step down from the Parish Council. Adrian played a key role in pushing for the pedestrian crossing on the main road, and did a phenomenal amount of work in terms of landscaping and biodiversity. He has spent many, many hours organising and planting trees and bulbs around the village. We will miss him at meetings, and offer heartfelt thanks for all his hard work over the years.

### Councillor vacancy

At the time of writing, a Notice of Vacancy has been published, allowing 10 or more electors the chance to request an election from Charnwood Borough Council to fill the current vacancy on the Council. If no such request is made, the Council can move to co-opt a candidate. We expect to do this at our January meeting. Our Co-option Policy, detailing who can apply and how to do so, can be found on our website. Anyone interested in joining the Council is asked to contact the Clerk to find out more. We meet at 7pm on the first Monday of most months.

### New village website

By the time you read this the new village website [www.wymeswold.com](http://www.wymeswold.com) should be up and running. This will cover all aspects of village life except the Parish Council, and has been made possible thanks to the generous National Lottery Heritage Fund grant given to St Mary's Church. There will be a link to the Parish Council website on this new website, however, so it really is a one-stop shop for all village information. A huge thank you to Janet Thomas and Liz Tingle who have worked so hard to get the new website up and running, and to Janet for supporting the Parish Council page on the old website for many years.

### Next meeting

The next meetings of the Parish Council will be on Monday 1st December 2025 and Monday 5<sup>th</sup> January 2026 at 7pm, upstairs at the Memorial Hall, Clay Street (lift available). Members of the public are welcome to attend, and the first 15 minutes are given over to public participation.

**On behalf of Wymeswold Parish Council, I would like to wish all parishioners a very Happy Christmas and every best wish for a happy and healthy 2026.**

## Wymeswold Flood Warden Group

As you may have seen, we decided to set up a Flood Warden Group for our village after the flooding that occurred in Jan 2025. There are currently three wardens in place - myself (Steve Morris) along with Jeff Weston and Francesca Pearce.

Although we are still awaiting formal training from the County Council - which has been cancelled three times since May - we are still making progress towards some of our goals to hopefully ensure we as a community are better prepared next time flooding occurs.

Leaflets have been posted through over 100 doors on Brook Street over the last few weeks to gain more insight into properties that have flooded previously and also to identify householders who consider themselves to be at risk of flooding in the future.

We also asked residents if they wanted to be notified by text or an automated phone call if the water level in the brook reaches certain levels. There has been a good response to this with over 60 people registering so hopefully we can all get a more accurate and timely notification of imminent flooding.

Please note that this service is free of charge and is not just limited to Brook Street residents. If you have an interest in signing up for this, please let me know - contact details below.

We are still pursuing having the ability to close sections of Brook Street in the event of flooding. This would hopefully be delegated to us from the Highways Dept at Leics County Council. Although the flooded road may be passable with care by HGVs, Tractors etc, these can cause considerable damage if not driven courteously as they can create a bow wave which can temporarily raise the height of the flood water considerably.

We have also applied for a grant from a scheme launched by Charnwood Borough Council which aims to distribute £150,000 across parishes affected by flooding. We are intending to use this grant to fund a flood locker to store road signs, traffic cones and any other things we'll need going forward.

Once we have a few more things in place, I will no doubt be asking for more volunteers to help us out as the necessity arises.

Although the group was instigated by the direct issue on Brook Street, we are intending to provide a service across the village to provide specific support in the event of any actual flooding events. One of our group - Jeff - is also the vice Chair of the Parish Council so if you have any issues or concerns regarding potential flooding risks caused by new developments in the village or proposed solar farms for example, please contact him using the email address below.

### LAST ISSUE OF THE CHRISTIAN LINK

Dear Residents

Despite our best efforts over the last few years, the Link has become financially unsustainable, so this is the last issue. Donations and paid adverts have gone down & printing costs have gone up. The answer is not to soldier on but accept that the Link is no longer fit for purpose in the modern era of mobile phones & social media.

The good news is that a new Parish Magazine will be launched early next year for the whole Benefice, which will be quarterly and will be by personal subscription only at just £3 per year for 4 issues. It will contain all the usual community events and will have paid advertisements, so businesses will still be able to advertise locally in a printed format. Please see page 9 for further details

I have enjoyed being the Link Editor for the last 23 years & I wish you all a very Happy Xmas.

**PLEASE REMEMBER THIS IS THE LAST ISSUE FOR DECEMBER & JANUARY. PLEASE DO NOT SEND ANY FURTHER CONTENT TO MYSELF OR CHRIS KEELING.**

Best Wishes

## Wymeswold Remembrance Day

Thank you all for making our Remembrance possible. It's such an important national, local and Scouting event. It is about our community coming together. A special thank to Rory for his thoughtful poem.

There was no Church Service this year due to the renovations at St Mary's Church.

The Scout and Guide Parade paraded around the village to the Memorial at the village Hall on Clay Street. There was the usual Revival band, RAF, Scouts, Guides reading of the Citation, wreath laying and the Roll of Honour.

We remembered those who died in Wymeswold in the Wellington crash. Their lasting memorial is on the wall outside the Pharmacy.

### *Poem, Willows*

#### **Why do you wilt, willows?**

We remember the scuffle of Soldiers, the commence of conflict, the hollowness of hearts...empty...empty.

#### **Why are you quiet, willows?**

We remember the wounds of warriors,  
the breaking of bones.  
The Scattering of shells...bursting...bursting.

#### **Why do you whine, willows?**

We remember the sound of screams, the sacrifice of souls.  
The riot of rapid fire...hurting...hurting.

#### **Why do you moan, willows?**

We remember the loss of living.  
The loss of Dads  
The rot of recruits...mourning... Mourning.

#### **Why do you weep, willows?**

We remember the charging, waiting,  
living, hating...dominating.

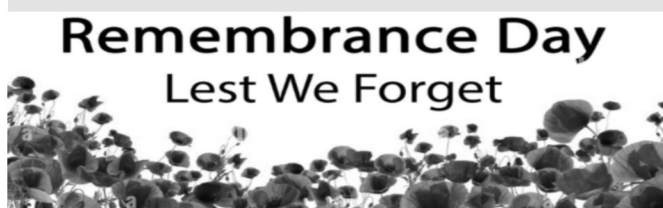

We remember the aching, taking, dying,  
breaking, Slaving...quaking.

We remember the raiding, losing, storming,  
Oozing... and harassing.

We remember all too clearly...all too often.

We weep because others forget.

### ***Last Issue of the Christian Link***

I am sorry to hear that this will be last issue of The Christian Link, and want to express my sincere thanks to Jenny, Chris, Liz and Rex for all their hard work and dedication over the 23 years since this magazine began.

Whilst we communicate in many different ways now, including websites and social media, I recognise that there are still many people who rely on a written publication for information about events, church services, and happenings around our villages. We will therefore be launching a new quarterly benefice-wide magazine next year, this will also replace the Barrow & Walton Parish Magazine in due course.

I am delighted that Richard Hudson has agreed to take a lead on this as editor. This new magazine will cover all four churches in the Barrow and Wolds Group, and the villages of Barrow, Walton, Burton, Prestwold, Cotes, Hoton and Wymeswold.

The new magazine will begin in March 2026 and will be published in March, June, September and December.

Unlike the Link, this will not be circulated to every house but will be distributed to those who wish to subscribe to receive this. There will also be a small cost for subscribing to this of £3 per year to help cover the cost of production. **If you would like to receive the new magazine when it begins, please contact the Benefice Office with your name and address on 01509 416520 or [enquiries@barrowandwoldsgroup.com](mailto:enquiries@barrowandwoldsgroup.com).**

Thank you to all who have contributed in any way to The Link, thank you to Richard for taking on the new magazine and my very best wishes to you all for the Christmas season.

*With every blessing,  
Rev'd Clive*

We all wish you a Happy Christmas and the hope that more peace will come to the world in 2026.

From;- Michael, Stephen, Will, Ollie and  
Sophie Burden  
and  
Emma, Gregor, Georgia,  
Alec and Callum Purcell.

## BURTON ON THE WOLDS GARDENING CLUB

The final event of the Gardening Club's 2025 calendar will be on **Thursday 11<sup>th</sup> December**; it's our **Annual General Meeting** followed by a social evening with refreshments provided. As usual, this will take place in Burton Village Hall at 7.30pm.

If you would like to hear more about what we have been doing this year or are perhaps thinking of joining us next year, do join us: we are a welcoming bunch! The Gardening Club is looking for volunteers! We are a very small committee and could really use some able-bodied help to get the Village Hall set up before each meeting and packed up again at the end. Also, we are always happy to welcome new members to our small committee – if you might be interested, please do talk to any of our committee or email me. Might you be willing to volunteer?

Our 2026 programme is now almost finalised; copies will be distributed at the AGM. If you would like a copy emailed to you, just let me know.

The Gardening Club always welcomes new members, or local people who would just like to attend for the occasional meeting - there is no obligation to join! Club Membership costs £15 per year, or £25 for a "couple's membership". Meetings are free to members and the charge for non-members attending is £4 per session. You can pay your membership fee at any meeting or by BACS (please contact me for details [j666edwards@gmail.com](mailto:j666edwards@gmail.com)) We welcome new members from the neighbouring villages as well as Burton.

Our **2026 programme** kicks off on **Thursday January 15<sup>th</sup> 2026** with a meal at the Greyhound at 6.45pm.

Seasons Greetings from

**Burton Gardening Club Committee 2025:** Maggie Pickford (Chair), Sue Eggleston (Secretary), Jackie Edwards (Treasurer), Rosemary Adams (Bookings Secretary).

*Jackie Edwards*

## Teams 4U Christmas Shoe Box Gifts

Huge thanks to everyone who contributed knitted, crocheted, and stitched items for the Christmas 2025 campaign sending boxes full of presents and love to children in Eastern Europe.

This year we gave nearly 1000 items such as hats, scarves, toys and bags to be used as "fillers" to bolster boxes contributed by people from all over the East Midlands. These handmade goodies often provide a magnificent "wow-factor" when the boxes are opened. At our meeting in October, we again saw photos and heard stories of the distribution process which ensures the boxes go to children who are truly in need.

In addition to contributions brought to St Andrew's Church for the coffee morning, we also received many other lovely things in the weeks before, and we are truly grateful to everyone who has helped us this year.

And please keep crafting.... Christmas 2026 is only a few months away!

*Sandi Cowell (07913 183892)*

## WALTON ON THE WOLDS PARISH COUNCIL

### Thank you to community volunteers

Walton on the Wolds Parish Council is very grateful for all those who volunteer their time to the community, whether at the church, taking on additional mowing, putting up Christmas decorations, helping at the Hall, to name just a few. This is much appreciated by all parishioners and by the Parish Council. Thank you!

### Overgrown hedges

Now is a great time to prune any hedges that have grown rapidly over the summer and are obstructing some of the pavements. All hedge trimming should be carried out before nesting season (March to late summer).

### Next meeting

The next meeting of the Parish Council will be on Monday 15<sup>th</sup> December, starting at 6:30pm. All parishioners are welcome to attend, and the first 15 minutes is available for public participation.

Wishing all parishioners a very Happy Christmas and all the best for 2026.
